

Council Regulations 24 of 2002

Academic and Other Posts

Redesignated as regulations by Council on 11 July 2002

Aldrichian Praelector and Reader in Chemistry

1. The Aldrichian Praelector and Reader in Chemistry shall be appointed by the Board of the Faculty of Physical Sciences from among the University Lecturers in Chemistry. The terms and conditions of the appointment shall be the same as for readers appointed by the General Board.
2. The stipend of the praelector and reader shall be on the readers' scale, and shall include one-third of the income arising from the bequest of George Aldrich, Doctor of Medicine.
