

## **Council Regulations 25 of 2002**

### **Trusts**

*Redesignated as regulations by Council on 11 July 2002*

*Drue Heinz Book Fund*

*[Made by the General Purposes Committee of Council with effect from 9 November 2018 (Gazette, Vol. 149, p.99-100, 25 October 2018).]*

1. The University receives with gratitude the sum of US \$2,000,000 from the trustees of the Drue Heinz Revocable Trust No. 2 to be held as permanent endowment on the trusts declared in this regulation. Further money or property may be paid or transferred to the University as either expendable or permanent endowment to be held on the same trusts. The assets so held will be known as the Drue Heinz Book Fund (“the Fund”).
2. The University shall retain as permanent endowment those of the assets in the Fund which are contributed on the express understanding that they are to be treated as permanent endowment (“the Permanent Endowment”).
3. The University shall (a) apply the income of the Permanent Endowment; and (b) apply the income and, in its discretion, the capital of the remainder of the Fund, towards purchases of 20th- and 21st-century literature for the Bodleian Libraries.
4. Publications and books acquired from the Fund shall include an appropriate identification. Spending from the Fund shall be made in accordance with the spending policy approved from time to time by the University for the spending from its general endowment funds, and, if at any time the University shall not have a spending policy for its general endowment funds, spending from the Fund shall be limited to income earned by the Fund, and all capital appreciation (both realised and unrealised) shall be retained as capital of the Fund.
5. Bodley’s Librarian shall be responsible to the Curators of the University Libraries for the administration of the Fund and the application of its income.
6. The University may in its absolute discretion in the period ending 21 years from the date of this regulation, instead of applying the income of the Fund in any year, accumulate all or any part of such income by investing it, and holding it as part of the capital of the Fund. The University may apply the whole or any part of such accumulated income in any subsequent year as if it were income of the Fund arising in the then current year.
7. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund and the management and administration of the Fund.
8. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with these regulations.
9. Regulations 1–11 shall be deemed to be Trust Regulations under the provisions of Part D of Statute XVI.
10. Subject to regulation 11, Council may amend, repeal or add to these regulations in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to: (1) cease to be exclusively charitable according to the law of England and Wales; or (2) be outside the objects of the University.

11. Any amendment to regulation 3 is an amendment to the main objects of the Fund for the purposes of Part D of Statute XVI and must be approved both by Congregation of the University and subsequently by Her Majesty in Council.
