KS Scholarship in Chinese Art

[Made by Council, 16 October 2003]

1. The KS Scholarship in Chinese Art will be awarded to a candidate undertaking study for a graduate degree at the University in any field of Chinese Art History, with a preference for Chinese painting.
2. The Board of the Faculty of Oriental Studies shall be the board of management for the fund, and shall determine the value of the scholarship and the terms on which it is awarded. Any unspent income which is not re-invested or carried forward for use in subsequent years may be applied at the discretion of the board of management in some other way consistent with the promotion of the study of Chinese Art.
3. During the lifetime of the benefactor, the University undertakes to notify the benefactor of the name and research field of the successful candidate.
4. Regulation 2 above may be amended by Council.
