

Council Regulations 25 of 2002

Trusts

Redesignated as regulations by Council on 11 July 2002

Psychiatric Research Fund

The Curators of the Chest are authorized to accept donations towards the Psychiatric Research Fund; the income of the fund may be spent at the discretion of the W.A. Handley Professor of Psychiatry on psychiatric research; and the professor may in any financial year spend on psychiatric research up to half the capital of the fund in hand at the beginning of that financial year.
