7. The trustees shall have power to make regulations or by-laws for the purpose of carrying this decree into effect; and Council shall always be at liberty to alter the decree, provided that the main object of the prize, namely, the encouragement of original research in the above-mentioned subjects, be kept in view.

10. No account shall be taken of any research which has not been prosecuted by the candidate subsequently to his or her matriculation.
11. The prize shall not be awarded twice to the same person.
